FINANCIAL POLICY FOR THE DENTAL OFFICE OF DR. B. LINDA ONGLEY

In order to allow this office to efficiently provide quality dental care to our patients, certain policies regarding payment of fees for professional services have been established. It is important that our patients be aware of these policies and understand the reason for their existence.

This office will assist you in preparing forms for your insurance company. However, there are certain parameters that will follow. On your first visit, we will gladly submit to your insurance carrier with payment of the difference to be made by the patient. **ALL COPAYMENTS ARE TO BE MADE AT THE TIME OF SERVICE.** If your insurance company does not make payment within 60 days from the date of service, payment will be expected in full by the patient.

We will gladly arrange a financial agreement to enable monthly payments to be made on your dental treatment. All financial arrangements will be made through our office using CARE CREDIT, and will be subject to credit approval. We are fully aware that exceptional circumstances arise. Please feel free to discuss any problems or concerns with our business manager. Feel free to ask any questions about how your treatment, insurance or bill will be handled so that you are fully aware and comfortable.

VISA, MASTERCARD, DISCOVER, DEBIT CARDS, CARE CREDIT AND CASH ARE ACCEPTED.

I, the undersigned, have read the above and accept all financial responsibility for all dental and surgical services incurred by myself or my dependent and will be responsible for any legal fees that may be incurred for any and all services rendered by Dr. B. Linda Ongley, D.M.D
